

Welcome to the **Maine Amputee Open Golf Tournament**, July 24 & 25 at the Falmouth Country Club in Falmouth, Maine. [www.harrisgolfonline.com/falmouthcountryclub](http://www.harrisgolfonline.com/falmouthcountryclub)

We are expecting amputees and friends from around the US and Canada. The tournament will be a 36 Hole Stroke play event. We will have a parallel able-bodied tournament in conjunction with the Amputee Open. If you are interested in playing a practice round prior to the tournament please reach out directly to John LeMieux ([jlemieux@antonlemieux.com](mailto:jlemieux@antonlemieux.com)) and we will work with Falmouth Country Club on access. In conjunction with the tournament the Amputee Association of Maine and Maine Adaptive Sports & Recreation [www.maineadaptive.org](http://www.maineadaptive.org) are sponsoring a free Adaptive Golf Clinic from 1-4PM on Sunday July 23 at the Freeport Country Club [www.harrisgolfonline.com/freeportcountryclub](http://www.harrisgolfonline.com/freeportcountryclub)

Maine in July is spectacular and the greater Portland area combines the rocky coast with woods and mountains along with the world-class restaurants of one of the most livable cities on the east coast. We hope you will arrive in Maine to spend some time before the tournament or stay and visit after.

One important thing to consider is that Maine is a very popular place in the summertime and **you will want to make your lodging plans early**. There are a variety of hotels, motels and BnB's within 30 minutes of the Falmouth Country Club in both urban and small town settings.

The Amputee Association of Maine [www.amputeeassociationofmaine.com](http://www.amputeeassociationofmaine.com) is a non-profit 501(c)3 dedicated to the following mission: **To represent and empower the amputee community in Maine through support, advocacy and education**. Our golf tournament serves two purposes: it raises awareness of the issues that amputees may face while demonstrating what can be accomplished and it helps the Amputee Association of Maine board raise funds to support our mission.

Please consider joining the Eastern Amputee Golf Association [www.eagagolf.org](http://www.eagagolf.org) to help support tournaments throughout the eastern US, golf clinics and scholarship funds. An EAGA application is included in your materials.

Enjoy your time in Maine!

### *Milas Rose Memorial Fund*

In 2007, we lost a wonderful member and friend in **Milas Rose of Centreville, VA**. Milas was a relative newcomer to the EAGA. He had been diagnosed with cancer and had a right hemipelvectomy. He was relieved to know that he would be able to return to golf - one of his life's passions. In the beginning, he used a single rider golf cart and participated at 2004 Combo Classic at Twin Lakes GC in Clifton, VA and the Eastern Regional at Bethpage State Park on Long Island. Milas also played in the Northeastern Amputee Classic at CC of Woodloch Springs in Hawley, PA. In 2006, he played in the Combo Classic with his new prosthetic leg. This would be his last event as he was unable to shake the cancer.

Milas's widow, Joanne wished to do something in his memory. So the **Milas Rose Memorial Fund** was born to help his fellow Military veterans by establishing complimentary memberships to the EAGA for any wounded amputee soldier returning home from Iraq and Afghanistan. EAGA Memberships are available to any amputee soldier who attends our NAGA "First Swing/Learn to Golf" Clinics such as the Disabled Sports/USA & Warfighter Sports Clinics. Memberships are also available to any amputee soldiers that are recommended by our EAGA Members and Friends. Thanks to all who donated for their generosity and support of our Military men and women.
