2018 Tournament Information

Golf Course: The Fortress has been recognized by Golf Digest and Golfweek magazine as one of Michigan's top 25 golf courses. Oversized greens and rolling terrain makes the course an enjoyable challenge for golfers of all levels. The Fortress reflects some of golf's early Scottish origins with fescue covered mounds with well guarded sectioned greens. The Fortress encompasses over 6800 yards of play on a par 72 course. We are certain that you will enjoy the Fortress and Zehnder's experience!

NAGA Tournament: The tournament will be a 54-hole stroke play event. The overall winner must play from the Championship tees. All players have the option to play from the Championship Tees including Ladies and Seniors for all 3 days. In the event of a tie for the Championship (Men/Ladies/Seniors) there will be a sudden death playoff. All other ties will use a card-off process in accordance with the USGA guidelines.

Senior Tournament: The Senior tournament will also be a 54-hole (Please note it has been changed to three days) stroke play event. Seniors (50-59), Super-Seniors (60-69), and Super-Super-Seniors (70+) will play from the designated gold Senior tees. The Super-Super-Senior participants will have the option to play from the red tees to compete for their division title only, but will not be eligible for the overall senior championship.

Clarifying competing for both championships: If a Senior, Super-Senior, or Super-Super-Senior wishes to play for the overall NAGA tournament title they *must play from the championship tees* for the duration of the event. If a Super-Super-Senior wished to play for the overall Senior title they **must play from the gold tees** for the duration of the Senior event.

Eligibility: All NAGA members and Associate members; non-members can submit membership fees to gain entry. The field will be limited to 120 golfers, with consideration given first to life members, and then those members who are current with their 2015 NAGA dues. Amputees will have first consideration over associate members if the 120 spots have been filled. If necessary, please include your 2015 NAGA dues with your official tournament application, and check the appropriate box.

Associate Division: There will be an Associate Division for all able bodied participants. To be eligible the participant must be a NAGA Associate Member in good standing or pay Associate membership fees prior to or during registration. Awards will be given to the top three participants of the division based on a **NET score with a verified handicap**.

Net Championship and Senior Net Champion: There will be only one award and the winner may come from any Division. Only those who have a **current valid golf handicap** either from the USGA/RCGA or a locally recognized organization will be considered and will be verified prior to the competition. *Please fill in the information on your entry form as to your handicap index number and an e-mail/phone number where it can be verified.*

Disabled Championship: The Disabled Championship will be comprised of four different divisions given that there are enough participants to field a division. Those divisions will include vision impaired, seated/standing wheelchair and other disabilities. The divisions will be based on a verifiable handicap only through the USGA or another trusted source. Breakdown of divisions will be: Master Division (0-8 handicaps), Champion Division (9-18 handicaps), Grand Division (19-29 handicaps), and Medalist Division (30 or higher handicaps). Amputee participants will be able to compete for both their own championship and the disabled championship provided that they play from the designated tees and have a verifiable handicap. Anyone with a non-verifiable handicap will have the option of playing in the Master Division.
